Work on your speaking skills! PARTIAL CERTIFICATION AVAILABLE

Partial certification is available for learners of Irish who want to work on their oral language skills only.

In 2014 exam candidates will have two options:

- Take the full TEG exam and get full certification;
- OR*
- Take the oral exam only and get partial certification.

The TEG team will be happy to arrange oral exams for groups at other times of the year in centres throughout the country. Call (01) 708 6417 for more information.

As a learner of Irish in Canada, I find that opportunities to speak with fluent speakers can be very limited and it is always difficult to gauge my level of progress in speaking. The TEG oral exam provides you with a structured set of activities that are realistic and fun. It also provides you with critical feedback. I was over the moon with my result. I am now very motivated to continue working on my Irish language skills so that I am ready to do B1 next summer.

Sheila Scott, 2013 TEG A2 candidate, Canada

TEG and Second Level Students

Teachers! Would you like to give your senior cycle students the option of taking a TEG exam? Full or partial examination options available.

We have been following the TEG syllabuses and taking the TEG exams with our transition year groups in Coláiste Íosagáin for the last four years. We chose the TEG system for our students as a means of giving them a clear objective at the end of the school year and to give them experience of an oral exam. As the oral part of the Leaving Cert Irish exam is now worth 40% this is a fantastic opportunity for students to focus on their speaking skills and also to develop their skills in other areas: reading, writing, and listening comprehension.

Joanne Ní Choileáin, Irish teacher, Dublin

The closing date for applications is **21 February 2014**. After this date please call (01) 708 6417.
